Formatting Your Research

Option 1: Brochure

Choose “general,” not AISD

- You may construct the brochure yourself using paper, glue, markers, printouts, etc. or use a brochure template from Google Docs.
- Whatever you choose, it will eventually need to be a hard copy.

Option 2: Infographic

- Create a login at **canva.com** via Google+.
- Scroll down to Blogging and Ebooks and select “Infographic” as your template.

Option 3: TED Talk

- Use your outline to structure a transcript for your talk. You can find examples of TED talk transcripts at **ted.com/talks**.
- Remember, your video will be 3-5 minutes long. You will eventually need to upload it to a platform for viewing.
